CONNECTION TIMEFRAMES

Once we've accepted your application, we'll try to connect your home phone service on the date you ask for, but this might not always be possible.

If there has been a previous working home phone service at your property and we can reconnect it without having to visit your property, the local telephone exchange or anywhere in between, then we aim to connect the service within two working days of your request. If this isn't possible, then we aim to connect your service within five to 15 working days, depending on your location.

BILLING

We will bill you in advance for the minimum monthly charge and features and in arrears for calls. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

SILENT LINE

If you don't want your name, address or phone number printed in the White Pages® or any other Telstra directory product, you can ask for a Silent Line. You'll be charged \$3.60 per month.
